

Invitation to the 2011 AT&T Supplier Diversity Symposium  
20 September 2011

**Greetings, Floyd.**

Please accept this correspondence as an invitation to the 8th Annual AT&T Supplier Diversity Symposium on 20 September 2011, at the University of Wisconsin-Milwaukee Continuing Education Center (Plankinton Building, 161 W. Wisconsin Avenue, 7th Floor, Milwaukee, Wisconsin 53203).

The goal of the Symposium is to recognize, promote and further the relationships among AT&T, the minority business community and AT&T prime contractors. The AT&T Supplier Diversity Symposium will provide a forum for minority business owners and buying decision makers to gain insight into the issues affecting AT&T's current business and regulatory environment.

Additionally, an exhibit area will showcase a wide variety of opportunities for minority businesses to provide products and services to AT&T and its prime contractors. The AT&T Symposium will also offer a unique opportunity to network with other minority business owners, buying decision makers, and business resource organizations.

Please access <http://attwisconsinsds2011.eventbrite.com/> to register online.

There is no charge to attend this event, but seating is limited and pre-registration is required.

Please contact me when questions arise.

God Bless,
